15th October 2026

Dear Parents and Carers,

I am writing to let you know that Mrs Fitzgibbon will be absent from school from 20th October 2026 due to a planned medical procedure.

We understand the importance of consistency for our children and have therefore arranged for an experienced supply teacher, Mr Bulger, to teach the class during her absence. Mr Bulger will be visiting the class before 20th October so that the children have an opportunity to meet him and begin to build positive relationships.

To ensure a smooth transition, Mr Bulger will be working closely with Mrs Fitzgibbon prior to her absence, and a thorough handover of curriculum plans, assessment information and daily routines will take place. This will help ensure that teaching and learning continue seamlessly.

We know you will join us in wishing Mrs Fitzgibbon well for her procedure and a speedy recovery. Thank you for your continued support and understanding.

Yours sincerely,

Ms Simms

Headteacher
